## Preschool Years

Are the most important years for your children. The public & private schools support school readiness goals for all children as the foundation for preparing children for elementary school and beyond. Our job is to educate your child. Our methods include hands on experiences in technology, science, the arts, and literacy. Are you ready to help your child excel? We accept children 11 months thru 5-year old?

**Dryades YMCA offers full day full year 5 days early education program that's full of fun and discoveries in science, art, music, safe water play, social emotional adaptation, cognitive development activities, language skills building Gross and fine motor development, and field trips where appropriate. All in a safe healthy learning environment.**

We provide 3 free nutritional meals daily through the Child Nutrition Program, we also participate in the Child Care Assistance Program. At Graduation, we provide each child with certificate and commemorative picture book.

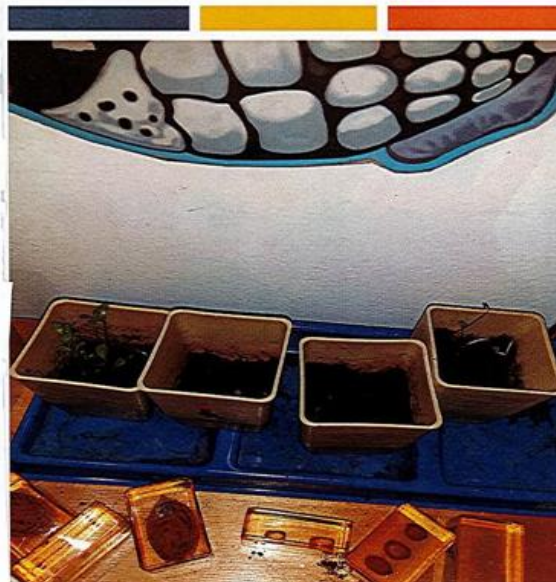

Registration is open until full.
