

SCHOOL OF COMMERCE HISTORY

The School of Commerce was established in 1928, in New Orleans, Louisiana to provide important educational services to the growing number of African Americans seeking to enhance their employability. The establishment of the School of Commerce served as an important link of training in the areas of Accounting, Bookkeeping, Speed Writing, Typing, Office Management, General College Preparatory, and Business Administration courses.

Today, the Dryades YMCA School of Commerce is licensed by the Louisiana Board of Regents, and approved by the Louisiana Practical Nursing Board, Louisiana Department of Health & Hospitals and the Louisiana Department of Social Services, as a state provider and accredited by the Accrediting Bureau of Health Education Schools (ABHES). The School of Commerce has a long standing history of success in providing individuals the tools necessary to positively impact their quality of life.

EQUAL OPPORTUNITY STATEMENT

The Dryades YMCA provides equal employment opportunities to all employees and applicants for employment and equal admission opportunities to all student applicants for admission without regard to race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, marital status, amnesty, or status as a covered veteran in accordance with applicable federal, state and local laws. The Dryades YMCA complies with applicable state and local laws governing non-discrimination in employment and in enrollment.

The Dryades YMCA expressly prohibits any form of unlawful employee harassment based on race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, genetic information, disability, or veteran status. Improper interference with the ability of Dryades YMCA employees to perform their expected job duties or students to learn and succeed is absolutely prohibited and is not tolerated.
