

Step by step guide to setting an appointment to access the Fitness and pool areas.

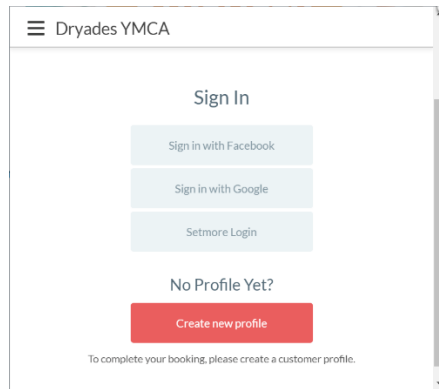

Read the Reopening Guide. Then click the book appointment button.

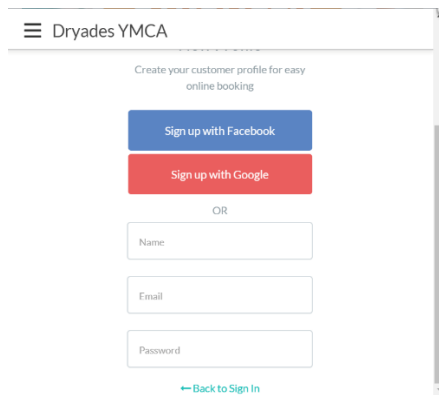

Then click the login icon at the top right of window.

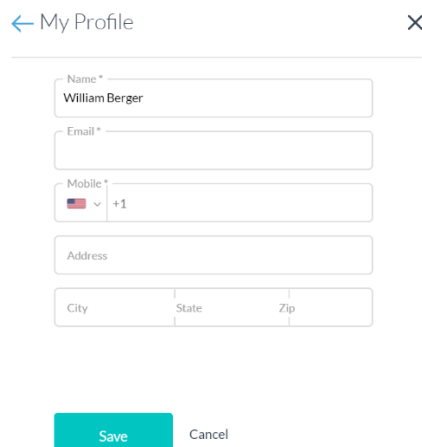

If you have never set an appointment with use click create profile or Sign in with Google or Facebook.

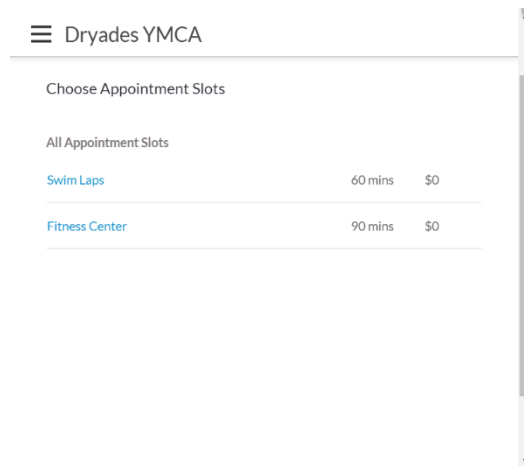

Fill in form or click Facebook or Google button.

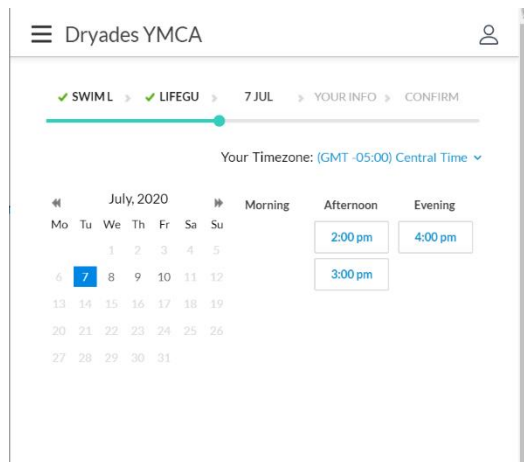

Complete the profile form.

Now you need to pick which area you want to work out in.

On the Next screen the department. Which should only have one option. Then you will have the option to pick day and the available timeslots will show up.

Confirm you profile information and appointment time and check if you want an email reminder.
