### **Weekly News**

#### **Distance Learning**

1. Thanks to Mr. Will, Ms. Perez, Ms. Francis, Ms. Tisdale and Ms. Jordan for showing up today and assisting with technology issues, registering families for cox WIFI, issuing hard copy packets and answering the phone.
2. Thanks to the many teachers who were here on Monday and Wednesday working to get students registered in Google Classroom and uploading work.
3. Many thanks to all of the teachers and staff who have been diligently working in their Google Classrooms, on email and making calls to get students registered and engaged in distance learning.
4. I am currently working with Ms. Phipps and Meghan from NOLA Public Schools to learn how to make your assignments live links so that students may answer on the document and submit it. We also uploaded directions on the teacher link on how to make documents forms in google which will make the document a live link as well.
5. I am visiting your Google Classrooms and will be joining in lessons and conversations. I am very excited about some of the classrooms and the dialogue between students.
6. If you have not done so, send your Google Classroom class codes to the administration team.
7. The facility team is working non-stop, pressure washing all bathrooms and cleaning for a safe return.
8. Share any photos or videos of you or the students during instructional time.
9. Go follow us on Instagram!!
