Weekly News

Distance Learning

1. Send Google Classroom Codes to Ms. Mann, Ms. Carpenter, Ms. Holmes and Ms. Henderson. We will be visiting your classrooms daily.
2. Keep a record of all communication from students and families. We will create a scrap-book of our children’s commitment to academic excellence, especially the first weekend of communication when setting their accounts up.
3. We will be in the building, if you are definitely coming, please send a text message to Ms. Mann or Mr. Cooper to ensure the building is open. My plan is to be here daily at 9am.
4. NOLA Public Schools is working on getting Elmos for teachers to assist with delivering instruction from home.
5. 2nd Teacher Observations are not required per BESE.
6. You have messaging rights for your caseload. Reach out to students who have not logged in.
7. Check emails twice daily for information, Great Minds has sent links to Eureka and Wit & Wisdom lessons that you may upload to your Google Classrooms.
8. Thanks for all you are doing to provide a continuum of instruction for our children. We are above the curve with our distance learning model and I couldn’t be more proud of you and our children.
